*** * * * * NEWS FOR 2026 * * * * ***

Welcome to the 2026 pool season!! We are starting to get busy getting the pools and grounds ready for opening weekend on Memorial Day! We have a couple big projects for this season including renovations to the main pool and replacement of the diving boards. We are also doing some upgrades to the filter system. We are looking forward to welcoming old and new members again this year. We do accept members and guests regardless of residency. This is the ideal season to come and join the pool! With the timing of Memorial Day being early and Labor Day being late, it is an extra-long season and more time for pool fun!

We plan to have our usual activities and events such as the 4th of July Bash! Our concessions will be provided by the Snack Shack and run by Judy Amato so the menu will be very similar to the past few years including the locally famous acai bowls! We will be having our annual Dog Swim the weekend after Labor Day! We are planning for paddleboard yoga sessions and swim lessons are available beginning in June for both members and non-members. Our League Champion Antietam Alligators swim team will also be going for the championship for the third year in a row. Coach Luke is also finalizing plans for a mini-gator development team for our youngest swimmers which will be new this season.

We hope you will join us for another summer of fun at AVRCC.

Lynn Wilson, President, Board of Directors
